Gentle Facial Cleanser (120ml)

Start and finish every day with a clean slate when you scrub up with enummi™ Gentle Facial Cleanser. The finest in herbal extracts, natural emollients, vitamins, and antioxidants wash away impurities and restore moisture to leave your face soft, pure, and bright. Formulated for all skin types, apply this light, foaming cleanser both morning and night for fresh, clean skin that's ready for whatever the day throws your way.

Directions: Apply a small amount to washcloth or hands. Massage over entire face and neck. Rinse thoroughly with water.* Use day and night for best results. As part of any skin care regiment, 4Life recommends the daily use of SPF 15 sunscreen to protect skin from UVA and UVB rays.

1. Cleanse

Refreshing Toner (120ml) With Transfer Factor XF™

Begin your day with enummi™ Refreshing Toner! Perfect for all skin types, it's infused with vitamins, antioxidants, and plant emollients that neutralize surface impurities and restore needed balance leaving your face feeling smooth, fresh, bright, and primed for moisturizing.

Directions: Spray enummi Toner directly onto face or apply with a cotton pad.* Use day and night after cleansing or anytime for a cool, refreshing boost. As part of any skin care regiment, 4Life recommends the daily use of SPF 15 sunscreen to protect skin from UVA and UVB rays.

2. Tone

Life C Energizing Serum™ (30ml) With Transfer Factor E-XF™

enummi™ Life C Energizing Serum™ combines powerful vitamin C and other botanicals to help energize tired looking skin, improve overall texture, and help diminish the appearance of age spots and defend against environmental stresses. Wake up your skin with this velvety, luxurious serum and experience a more luminous complexion. Contains Transfer Factor E-XF™.

Directions: Apply after cleansing and toning, massaging in upward circular motions.* Use morning and evening for best results. Follow with enummi™ Restoring Eye Cream, and enummi™ Protective Day Moisturizer in the morning, and enummi™ Night Recovery Cream in the evening.

3. Target

Restoring Eye Cream (15ml) With Transfer Factor E-XF™

enummi™ Restoring Eye Cream delivers valuable anti-aging nutrients to the delicate eye area. This powerful formula features a comprehensive blend of phospholipids, peptides, and antioxidants to restore needed moisture and improve the appearance of fine lines, wrinkles, puffiness, and dark circles for brighter eyes. Contains Transfer Factor E-XF™.

Directions: Apply a small amount to the tip of your finger and gently pat into the skin around the eye.* Apply morning and evening for best results.

Protective Day Moisturizer (50ml) With Transfer Factor E-XF™

Protect your skin from the harsh outside world with enummi™ Protective Day Moisturizer with SPF 15 protection against UVA and UVB rays. This lightweight moisturizer blends together vitamins and other nutrients to support soft, healthy skin, and promote moisture retention and resiliency. Protective Day Moisturizer is formulated for all skin types.

Directions: After cleansing and toning, apply to face and neck.* Use daily for best results.

4. Moisturize
and Protect

Night Recovery Cream (50ml) With Transfer Factor E-XF™

enummi™ Night Recovery Cream is formulated for all skin types to help your face recover from the stress of the day. Contains aloe vera, vitamin A and E, and deep moisturizing agents to balance and rejuvenate your skin. The natural antioxidants provide anti-aging benefits while moisturizing ingredients give dry skin a youthful appearance. Use Night Recover Cream every night and wake up to beautiful, refreshed skin.

Directions: After cleansing and toning, smooth on face and neck.* Use nightly for best results. As part of any skin care regiment, 4Life recommends the daily use of SPF 15 sunscreen to protect skin against UVA and UVB rays.

* To determine sensitivity, test a small amount on the inner forearm before first use.
