4LIFE TRANSFER FACTOR BELLE VIE

WOMEN'S WELL-BEING

(1) Grape seed extract (*Vitis vinifera* L.) provides antioxidants and improves our circulatory and vascular health.

(2) Flax seed extract (*Linum usitatissimum* L.) promotes digestive comfort and weight control.

(3) Red clover (*Trifolium pratense* L.) can foster bone protection.

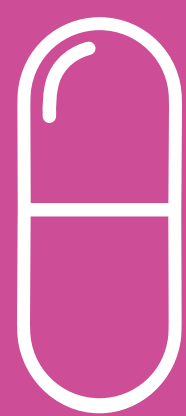

- Are you worried about the health of your bones?
- Have you gained weight without changing your habits?

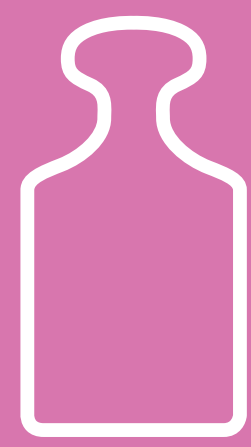

Women have different interests and concerns. Our body and organism change over the years, and we can benefit from specific substances.

What Belle Vie offers

Belle Vie is specially developed for women's wellbeing, which contains beneficial plant extracts and 4Life Transfer Factor. Grape seed extract (*Vitis vinifera* L.) provides antioxidants and improves our circulatory and vascular health. Flax seed extract (*Linum usitatissimum* L.) promotes digestive comfort and weight control. Red clover (*Trifolium pratense* L.) can foster bone protection.
