2. Must have the Loyalty Program activated (with at least 125 LP)

3. Accumulate three level volume

4Life

4 months	activated (>125 LP)	13.000 LP	300 €
6 months	activated (>125 LP)	20.000 LP	550 €
			Total = 1.000 €

- If you qualified as a new Diamond in January 2018 you can still participate, but you must complete the requirements during the incentive period: between February and December 2018.
- The new Diamond must have completed and sent in all required registration documentation to the 4Life office to officially be a 4Life distributor. Without this documentation, the participant is not considered an official 4Life distributor and thus not eligible to win the Diamond Power incentive, even though they have completed the qualification requirements.
- This incentive is exclusively for newly qualified Diamonds between February and December 2018 with an European 4Life-ID in Bulgaria, Czech Republic, Estonia, Latvia, Lithuania and Poland.
