

## TERMS AND CONDITIONS

**Every two new and/or existing enrollees who purchase a qualifying Essentials Pack in any given month in two separate legs, the enroller will qualify for a monthly bonus.**

- Affiliates and Preferred Customers must be in good standing in accordance with 4Life's Policies and Procedures to qualify for a Go 2 Bonus.
- The Go 2 Bonus is applicable to Affiliates at all ranks of Associate and above.
- Affiliates must have at least 100 personal LP during the monthly bonus period to be eligible for a Go 2 Bonus.
- For every two new and/or existing enrollees who purchase a qualifying Essentials Pack in two separate legs, the enroller qualifies for a Go 2 Bonus.
  - For every two 200 LP Essentials Packs, the enroller earns a 20€ Go 2 Bonus.
  - For every two 400 LP Essentials Packs, the enroller earns a 40€ Go 2 Bonus.
  - For every two 800 LP Essentials Packs, the enroller earns a 80€ Go 2 Bonus.
- At the end of each monthly bonus period, packs will be paired for bonus calculations. Packs will first be paired with packs of the same LP amount. When a pack is paired with a pack at a different amount, the enroller will earn the lesser bonus amount.
  - For example, when an enrollee purchases a 200 LP pack and another enrollee purchases a 400 LP pack, the bonus amount will default to the lesser of the two bonuses. In this example, the enroller will earn a 20€ Go 2 Bonus.
- When multiple Essentials Pack quantities are ordered by the same enrollee in the same month, then it will equate to a higher pack. For example:
  - When an enrollee purchases two 200 LP Essentials Packs, then it will equate to a 400 LP Essentials Pack.
  - When an enrollee purchases two 400 LP Essentials Packs, then it will equate to an 800 LP Essentials Pack.
- There is no limit to the number of Go 2 Bonuses an enroller may earn in any given month.
- The Go 2 Bonus is paid monthly when all qualifications are met and will be included in the Affiliate's monthly commission payment.
- A Go 2 Bonus is paid to the direct enroller. If an enroller doesn't qualify for a Go 2 Bonus, then no Go 2 Bonus is paid. All Essentials Pack volume is calculated and paid out in accordance with compensation plan program rules.
- All Go 2 Bonus amounts will be localized in the local country currency, and market participation may vary.
- In the case of MyShop orders, the volume contributes toward your Personal Volume, but the Go 2 Bonus is paid to your enroller.
- The Essentials Packs' product assortment and LP amounts are subject to change at any time.
- 4Life Essentials Packs may be added to Loyalty Program orders.
