

## CLASSIC

### Food supplement with bovine colostrum

- ✓ An excellent starter product.
- ✓ Contains 200 mg of bovine colostrum per capsule.

The formulas of 4Life products are the result of research and commitment of the highest quality.

#### RATING OF INGREDIENTS

- ★★★★★ Leading ingredients, backed by internationally approved research, are selected and studied.

#### RAW MATERIALS

4Life takes stringent care in the sourcing and origin of its raw materials to ensure it obtains the choicest ingredients:

- It uses strict criteria in the selection of its raw materials (the finest quality ingredients such as bovine colostrum).
- It carries out assessments and audits of its suppliers.

#### EXTRACTION

4Life selects the most effective extraction processes for its ingredients (ultrafiltration, nanofiltration) to obtain the smallest size of active molecules possible, so it can include the largest possible amount in each capsule.

4Life has patents on the extraction of transfer factors from bovine colostrum.

#### FORMULA DESIGN

The final formula is designed with defined objectives tailored to each market.

Physical and sensory assessments are carried out for the pilot tests of each formula.

#### FACILITIES AND PROCESSES

We use state of the art manufacturing facilities. The 4Life production sites have received Good Manufacturing Practice (GMP) certification from NSF® International. This certification shows that 4Life uses the appropriate methods, equipment and quality control to ensure it produces the highest quality dietary supplements. 4Life carries out controls on every aspect of the process, from the selection of raw materials to packaging, guaranteeing products of the highest quality.

90 CAPSULES • NET WEIGHT 24.66 g

**INSTRUCTIONS:** Take three (3) capsules a day with 240 ml of fluid.

**INGREDIENTES:** 4Life Transfer Factor™ (obtained from bovine colostrum (milk)), gelatin, maltodextrin and water.

**AMOUNT PROVIDED PER DAILY DOSE:** colostrum (600 mg).

**COMPLEMENT YOUR HEALTHY LIFESTYLE WITH 4LIFE:**

Everything started with 4Life Transfer Factor Classic: an excellent starter product in the world of transference factors. You can include it in your daily routine with any of the 4Life products, whether from the "green line" such as Fibro AMJ™, Super Detox™, Fibre System Plus™ and BioEFA™ or those from the 4LifeTRANSFORM™ range, such as BURN, Man or Woman.

**A 4Life classic since 1998.**

Warnings: Do not exceed the recommended daily dose. Dietary supplements should not be used as a substitute for a varied and balanced diet or a healthy lifestyle. KEEP OUT OF THE REACH OF CHILDREN. Store in a cool dry place.
