4LIFE TRANSFER FACTOR™ RECALL™ TRI-FACTOR™ FORMULA

- Do you end up experiencing mental fatigue at the end of the day?
- Do you have a demanding job?
- Are there days when you find it hard to concentrate?

Our daily life is more challenging than ever, and it's hard to find a balance between work, family, physical exercise and social life. We are busy 24/7, which implies a significant mental effort.

What does 4Life Transfer Factor Recall™ offer?

Magnesium contributes to the normal functioning of the nervous system, while reducing tiredness and fatigue.

Brahmi extract (*Bacopa monnieri* [L.] Pennell) and ginkgo extract (*Ginkgo biloba* L.) can help maintain cognitive function (concentration and memory).

Recall also contains choline, the amino acids L-cysteine, L-tyrosine and L-glutamine, as well as the Tri-Factor formula.

INGREDIENTS: Anti-caking agent (microcrystalline cellulose), magnesium oxide, stabilizer (gelatin), choline (soy), brahmi (*Bacopa monnieri* [L.] Pennell), Ginkgo (*Ginkgo biloba* L.), 4Life Tri-Factor™ Formula (made from colostrum [milk] and egg yolk), magnesium gluconate, L-cysteine, L-tyrosine, L-glutamine, anti-caking agent (stearic acid), water, anti-caking agent (silicon dioxide) and colorant (beta-carotene).

Warnings: **Consult your doctor if you simultaneously take anticoagulants.** Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet or a healthy lifestyle. KEEP OUT OF REACH OF CHILDREN. Store in a cool dry place.
