

Dietary supplement with bovine colostrum and egg yolk.

- ✓ Perfect for all ages: young, old and in between.
- ✓ Contains the highest amount of Transfer Factors per capsule — **300 milligrams.**

The formulas of 4Life products are the result of the highest quality research and commitment.

RATING OF INGREDIENTS

- ★★★★★ Leading ingredients, backed by internationally approved research, are selected and studied.

RAW MATERIALS

4Life takes stringent care in the sourcing and origin of its raw materials to ensure it obtains the choicest ingredients:

- It observes strict criteria in the selection of its raw materials (ingredients such as bovine colostrum and eggs are of the highest quality).
- It carries out assessments and audits of its suppliers.

EXTRACTION

4Life selects the most effective extraction processes for its ingredients (ultrafiltration, nanofiltration) to obtain the smallest size of active molecules possible, so it can include the largest possible amount in each capsule.

4Life has patents for the extraction of transfer factors from bovine colostrum and yolk from hens' eggs.

FORMULA DESIGN

The final formula is designed with specific objectives tailored to each market.

Pilot tests involving physical and sensory assessments are carried out for each formula.

FACILITIES AND PROCESSES

We use state of the art manufacturing facilities. The 4Life production sites have obtained Good Manufacturing Practice (GMP) certification from NSF® International. This certification is proof that 4Life uses the right methods, equipment and quality control to ensure it produces the highest quality dietary supplements. 4Life carries out controls on every aspect of the process, from the selection of raw materials to packaging, thus guaranteeing products of the highest quality.

60 CAPSULES • NET WEIGHT: 25.92 g

DIRECTIONS: Take two (2) capsules daily with 240 ml of fluid.

INGREDIENTS: 4Life Tri-Factor Formula (colostrum (milk) and egg yolk), glazing agent (hydroxypropyl methylcellulose – capsule shell), and maltodextrin.

AMOUNT PROVIDED PER DAILY DOSE: colostrum (420 mg), egg yolk (180 mg).

SUPPLEMENT YOUR HEALTHY LIFESTYLE WITH 4LIFE:

4Life Transfer Factor Tri-Factor is the ideal starting product for supplementing your nutritional goals because you can include it in your daily routine with any of the 4Life products, whether they be "green line" products such as Fibro AMJ™, Super Detox™, Fibre System Plus™ and BioEFA™ or those in the 4LifeTRANSFORM™ category such as BURN, Man or Woman.

Warnings: Do not exceed the recommended daily dose. Dietary supplements should not be used as a substitute for a varied and balanced diet or a healthy lifestyle. KEEP OUT OF THE REACH OF CHILDREN. Store in a cool dry place.
