**Do you end up experiencing mental fatigue at the end of the day?**

**Do you have a demanding job?**

**Are there days when you find it hard to concentrate?**

Our daily life is more challenging than ever, and it's hard to find a balance between work, family, physical exercise and social life. We are busy 24/7, which implies a significant mental effort.

### **What does 4Life Transfer Factor Recall™ offer?**

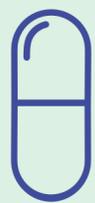

Magnesium contributes to the normal functioning of the nervous system, while reducing tiredness and fatigue.

Brahmi extract (*Bacopa monnieri* [L.] Pennell) and ginkgo extract (*Ginkgo biloba* L.) can help maintain cognitive function (concentration and memory).

Recall also contains choline, the amino acids L-cysteine, L-tyrosine and L-glutamine, as well as the Tri-Factor formula.
